Topic: 2019 UNESCO Creative Cities Network Application

To the relevant authority,

Adana is one of the few cities in the world in terms of gastronomy with its unique culinary culture. Nowadays, gastronomy remains the main driving force of the local culture and economy.

We, The Cooks and Chefs Federation of Turkey operated 13 years in the field of tourism.

We support your application to UNESCO Creative Cities Network 2019 in the field of gastronomy.

Cooks and Chefs Federation
